

## War, it's Tank-tastic!

Ouch Games is proud to announce their first contribution to the gaming world, Tank-tastic! has now been released on Xbox Live Indie Games.

- Fun and addictive game play.
- High speed dual-stick shooter.
- Very easy to pick up and play.
- Try to survive the single player campaign with 10 varied levels.
- Many multiplayer modes - Death match, Last tank standing, Capture the flag and Pass the bomb.
- 1 - 4 players can go free for all or team up in any crazy uneven sized teams.
- Strategic and chaotic items twist and turn the game play for better or worse.
- Many different items upgrade the tank, like the Bullet bounce, Shield and Mini tank.

Ouch Games is a newly founded game development studio based in Sundsvall, Sweden. The company consists of six dedicated and creative guys that have worked together since September 2008.
